

INFERIOR VENA CAVA

Hepatic portal system (connects 2 capillary systems; stomach & intestine)

Inferior mesenteric

left colic

superior rectal

Splenic

left gastroepiploic

pancreatic

Superior mesenteric

right gastroepiploic

intestinal

ileocolic

right colic

middle colic

Hepatic

Phrenic

Gonadal (ovarian or testicular)

Suprarenal

Lumbar [right side azygos]

Renal (largest tributaries)

Right common iliac

Right external iliac

Femoral

Deep femoral

Great saphenous

Small saphenous

Dorsal venous arch

Digitals

Popliteal

Posterior tibial

Anterior tibial

Peroneal

Plantar venous arch

Plantars

Right internal iliac

Superior gluteal

Internal pudendal

Sacral

Obturator

[left renal vein]

[left renal vein]

[left renal vein]

[left himiazygos]
